## Agreements and Practices

- Listen with attention, curiosity, compassion and without judgement
- Speak with intention
- Ask for what you need and offer what you can
- Practice the pause
- Contribute to the well-being of the group
- Consider your impact (oops, ouch, redo)

# Poll Question

To what extent is your community experiencing displacement pressures due to gentrification?

- Not at all - not seeing gentrification OR displacement
- It's in the horizon - we anticipate increasing displacement pressures in 2-5 years
- A small number of residents and local businesses are getting pushed out
- Significant number of residents and local businesses have already left

## **Preventing displacement:**

- 1. Remove land and housing from the market**
- 2. For housing that remains market-based?**  
**Regulate the market to ensure stability and affordability**

The background of the slide is a photograph of a city street scene. In the foreground, a river flows through a landscaped area with rocks and greenery. A black metal railing runs along the riverbank. In the background, there are multi-story buildings, trees, and a few people walking on a sidewalk. A large, semi-transparent teal rectangle is overlaid in the center of the image, containing the text "Thank you!".

***Thank you!***
